RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:

**Violation #1:** Paul Aaron Murray is alleged to have been within 500 feet of a middle school and a daycare on April 20, 2020.

On April 10, 2018, the conditions of pretrial release supervision were reviewed with Mr. Murray. Mr. Murray acknowledged an understanding of the conditions, which included special condition number 8.

While under conditions of pretrial release supervision, Mr. Murray has been monitored with the use of a global positioning system (GPS) device. On April 21, 2020, the undersigned officer reviewed Mr. Murray's locations for April 20, 2020, through GPS mapping. GPS mapping revealed Mr. Murray was at a residence that was located directly next to a middle school baseball field and across the street from a preschool/daycare business from approximately 4:22 p.m. to 4:51 p.m., on April 20, 2020.

It should be noted that the middle school is currently closed due to the COVID-19 outbreak. The undersigned officer confirmed the daycare/preschool is still open for business.

On April 21, 2020, the undersigned officer discussed his presence at the aforementioned residence on April 20, 2020. Mr. Murray has worked for a local real estate business throughout his time under pretrial release supervision and this residence was listed for sale through his employer. He reported that a showing of the property was scheduled on April 20, 2020. Mr. Murray went to this property to prepare the home to be shown to potential buyers. Mr. Murray was reminded of his condition to not be within 500 feet of a school or park.

Mr. Murray's employer contacted the undersigned officer and confirmed she has a property listed for sale at the above-noted residence. The employer advised she asked Mr. Murray to go to the residence to get the property ready for a showing. The undersigned officer also confirmed this property was listed for sale on the realtor's Internet website.
